

Travilah Elementary School

Parent Teacher Association Payment Information

“Putting Children First”

Travilah Elementary is a great school. What sets Travilah apart is its exceptional staff, dedicated PTA, and involved parents. The PTA funds cultural arts programs for the students, supports service programs for our community, and makes allotments to teachers and staff for augmenting their programs. Other PTA activities include picnics, bingo nights, clubs and extracurricular activities, class parties, field day, international night, lunar new year, kindergarten orientation, snacks with Dr. Seuss, the summer reading party, jump rope for heart, the talent show, fifth grade recognition, the directory, and more.

Travilah’s PTA is able to offer so much because of the individual volunteers dedicated to each of these programs. Of course, money is also required to support our activities. ***This year, the PTA would like to discontinue various fundraisers and replace these efforts with a voluntary cash donation from parents.*** We believe that for a relatively small donation, a significant amount of your volunteer time and hard work can be eliminated or channeled to more enjoyable activities. So, please be generous when offering your **TAX-DEDUCTIBLE PROGRAM DONATION** to the school. While a minimum amount of \$25 per child is suggested, you are encouraged to offer more if possible to support our valuable PTA programs and activities.

For the time being, we will need to continue our largest fundraiser – Sally Foster. *The success of our current request for voluntary donations will determine whether modifications will be made to this and other fundraising programs in the future.*

Please Support Your PTA. It’s as easy as 1 – 2 – 3...

1 PTA MEMBERSHIP

As a member of Travilah’s PTA, you will have the right to vote on every important issue impacting the PTA and your school. Your voice will count!

You also will receive a free directory listing students’ names, addresses, and telephone numbers along with other useful school information. This is an invaluable tool for obtaining homework when your child is sick, sending out birthday invitations, and scheduling play dates.

2 PROGRAM DONATION

This is your opportunity to support the PTA’s many valuable programs and activities. Please help us reach our goal of \$7,000 in program donations. We are relying on your support through this voluntary contribution since we have eliminated the Auction, Bake Sales, and the School Supplies Sale from our fundraising activities. The amount you give is tax-deductible. A minimum amount of \$25 per child is suggested.

3 CLASS PARTIES

Each year the PTA sponsors two class parties, on Halloween and Valentines Day. The amount you contribute here is used by room parents to plan activities and to provide snacks and treats.

Thank You for Supporting Travilah’s PTA!

"Putting Children First"

Payment Form

Travilah's PTA sponsors family and cultural events, provides teaching materials and equipment, offers student enrichment courses, and supports staff appreciation activities. Please do your part to allow these programs to continue by supporting the PTA through your membership and/or tax-deductible donation.

Please use this form to calculate the total amount due for your family and return it to the school along with one check made payable to: Travilah PTA.
